EXECUTIVE SUMMARY

OFFERING

Paragon Real Estate Advisors is pleased to present the exclusive listing of the Brighton Townhomes. This property includes four spacious 1,100 square-foot 2-bedroom, 1.5-bathroom townhouse-style units, along with a 1-bedroom, 1-bathroom unit. The units feature LVP flooring, formica countertops, and white appliances, offering an excellent value-add renovation opportunity. Each townhouse unit includes a large walk-in pantry that could accommodate a washer and dryer installation (buyer to verify). Installation would be cost effective through plumbing/draining down the line of units within the crawlspace. Additionally, if washers and dryers are installed, the 1-bedroom unit could potentially be expanded into the adjacent laundry and storage room to create a second bedroom.

Recent capital improvements this year include a new roof (\$37,000), completed in August, and selective cedar siding replacement as general maintenance. The property also offers 10 off-street parking spaces, conveniently split between the front and back of the building for tenant use.

Brighton Townhomes is located in the vibrant Haller Lake neighborhood of North Seattle, providing a quiet, suburban atmosphere while still being close to major transportation routes like Highway 99 and I-5. The property is also near recreational areas such as the Interurban Trail and Northacres Park, and just blocks from the Aurora shopping center, which offers a wide variety of retail, grocery, and shopping options.
